VBX: A Week of Amazing Un-selfies! Monday-Friday, August 6-10 August 6-8 1:00 pm—3:00 pm and August 9 6:00 pm—8am, August 10 Open to kids entering 5th through 7th grades in the fall

Can you take a good selfie? How about a great un-selfie? Jesus was the master at taking an un-selfie. With his "camera" focused away from himself, Jesus was able to see and respond to the needs of others.

At VBX, we are going to work on making our own amazing un-selfies. Join us for games, challenges, projects, an overnight lock-in, and much more as we practice turning our own cameras outward. As we discover more about others, we will also learn some cool things about ourselves!

WE NEED YOUR HELP!!!! This is a wonderful summer program for our kids—but it is large and in need of LOTS of volunteers. We are looking for high school youth (think service hours!) or adults who would like to work—and have fun!—with our elementary-age kids.

Please join us!

Contact Julie at Julie@foxpointchurch.org.

Thanks!

Summer Sunday school has started! Join us at either 9:00 or 10:30 as we learn more about God and Jesus through crafts, stories, and games. All kids who are currently in our preschool Sunday school program through those who are currently in 3rd grade are invited to join us for the summer. Older kids are welcome to worship with their families during the summer.

Children's Ministry

Sign-Up NOW: Teach Sunday School for the 2018-2019 School year

If you have a child who will be entering
K5—6th grade, please, please sign up!

We are so fortunate to have a large and healthy Sunday morning program for our children. We have about 300 children enrolled in Sunday school, and we provide classes at both the 9:00 and 10:30 services. This creates a great demand for teachers.

If you sign up to teach, you are helping us to create a system where all parents can both worship and play a role in their child's spiritual development. Your commitment is just 4 Sunday mornings for the entire year. Thanks so much for helping the children of our church grow in their faith! 9:00 is filling quickly....10:30 parents, we really need your help!

Suggested Donation for June and July:

Small Toys and Stuffed Animals!

Our members have always been so kind to ask what we need for Operation Christmas Child and what they can donate. In recognition of your generosity and to streamline our process and lessen the crush of donations in late fall, we have decided to make our "asks" bi-monthly throughout the year. We will suggest a particular item that we need every two months. (By the way, thank you so much for the over 1,000 washcloths we received earlier this year!)

If you would like to donate small toys and stuffed animals, great! If you would rather donate other items that you have, we will still happily and gratefully accept ANY and ALL donations at any time throughout the year.

So our suggested items for June and July are stuffed animals and small toys (anything that will fit in a shoebox):

Summer Choir

Our summer choir is open to high school youth and adults. Each week that we sing, we will meet in the choir room at 8:30, and rehearse an easy piece to share that day at the 9:00 service. We sing from the balcony, and you may sit with your families for most of the service. Our dates for this summer are:

July 15

July 29

August 12

Come and sing with us!

Get Growing!

Our Bayside Garden and Gift cards help you get everything you need to make the garden picture perfect—from seeds and pots to shrubs and trees. Those proceeds go toward the Tanzania scholarship fund.

Food Donations Are Still a Critical Need

With the end of the school year, many children and youth lose their school lunch opportunities. These same kids often start their day at home never even getting breakfastso the days coming up could be quite difficult for them . Can you imagine the hunger pain during the day until dinner comes, if it comes?

Fortunately, there are groups, including All Peoples, Cross Lutheran and the Kugi Neighborhood/Alice's Gardens program (run by Venice Williams) there to help. These 3 food operations continually need provisions from somewhere.....*And that somewhere (in part) is where we come in.*

So please keep the donations of nutritious and non-perishable food coming and place them in our black "Food Donation" rolling carts by the church entryways.

Thanks from the Outreach Committee

Sporting Clay Event with Pastor Bill

The Highlands Hunt Club;

N3041 West County A, Cascade Wisconsin

18 and older.

Sporting clays is a form of clay pigeon shooting, often described as "golf with a shotgun" because a typical course includes from 10 to 15 different shooting stations laid out over natural terrain. It is fun even if you miss every clay (which you won't). Don't have a shotgun or never shot one before? No worries, we'll take care of that!

There will be an optional lunch at the SOLU Winery and Meadery on the grounds of The Highlands Sportsmen's Club. Live music begins outdoors at 2pm.

Sign-up at church or online. The cost is \$30 with lunch and \$20 without.

Spouses and friends are welcome for lunch and music. Let us know on the sign-up.

July 19, Thursday – 6 pm

For the Children: There is ample green space and a playground on site for children to enjoy.

Adopt a Backpack for All Peoples Church

Many (if not most) of the All Peoples students follow a school calendar that begins early in August and concludes before Memorial Day. This means that the bulk of their Back-to-School events and programs need to be in order by **July 30th**. Our plan is to provide All Peoples with backpacks and school supplies for their summer Kids Working to Succeed participants, Camp Umoja participants, and to the kids who live near to All Peoples (with the help of the service fraternity on our block). Last year All Peoples successfully provided ALL of these kids with backpacks/supplies!

This is where you come in! We are asking you to Adopt a Backpack--meaning purchase a sturdy student backpack and fill it with the needed supplies. You will find the list in Fellowship Hall next to the backpack display--please note, it is a two-sided card--or on our website. It is IMPORTANT that you follow the EXACT backpack lists so that we do not have any issues with inequities among the kids.

We can also take loose supplies off the list and/or the empty backpacks, if you prefer to go that route, but adopting an entire backpack is a huge help to All Peoples.

All Peoples also includes 1 new book in each backpack they give out. After distributing more than 10,000 books from their Little and Free Libraries over the past few years, they are running low on books. If you have access to free new or used books (retiring teachers are a great source for this!) please contact Linda Muth at All Peoples : linda@allpeoplesgathering.org

Backpacks and supplies are due no later than June 25! Please contact Stacia Hickey if you have any questions: stacia@foxpointchurch.org
