Living Healthy Is A Prayer

The Gift of Grace

As we continue to celebrate this Easter season, we are reminded of God's sacrifice and gift of grace. He extended grace to all mankind by sending His son, Jesus, to die on the cross as payment for our sins and to rise again so that we may have eternal life with Him. God knows we need His grace. We can do nothing apart from God. He knows we often aren't in a place to ask for it or even recognize it when it comes, but He sends it nonetheless. We draw upon God's grace by confessing our failures and weaknesses and asking God to give us His grace so we can face our most difficult challenges with the strength, love, compassion, courage, kindness, and wisdom of God Himself. We can, and we need to ask God for grace whenever we feel overwhelmed or weak. When we ask God for grace to face whatever lies before us, we receive not only His grace but also His love and understanding. His love is often undeserved but that is what He is all about. We can never earn His love or grace but He gives it to us freely and compassionately. It is through Him, our Father, our Creator, that we find comfort, encouragement, love, and peace. We know how very much we need and want His love and acceptance... God's gift of grace, when we suffer. God's grace is love in action. May we all be God's gift of grace to each other.

"My grace is sufficient for you, for my power is made perfect in weakness."
2 Corinthians 12:9

"For it is by grace you have been saved, through faith - and not from yourselves, it is the gift of God." **Ephesians 2:8**

Outreach

Service--a Heart-changing Experience

With our Outreach Sunday and Service Day coming up, it is important to realize why our church is committed to helping others. It not only makes a real difference to people in our community and abroad--it will make a real difference in your heart and your life.

FPLC member Nancy McLaughlin expressed it beautifully when she shared details of the family's evening at the dinner fellowship at Serenity Inn:

Well, we just arrived home from Serenity Inn. Where do I begin? Were we moved? Absolutely! Were we grateful for the opportunity to spend time with these amazing people- undoubtedly. When we left we were all sad to know that we might not see them all again no matter when we were able to go back and are looking forward to sending them some videos of our favorite movies, dropping off some of their favorite desserts, and staying in touch any way we can. They told us how grateful they were for our hospitality when really truly, it was all four of us who were grateful for their courage, their honesty, their advice, their strength and humor, and their true appreciation and in the short time we had together, their friendship. Thanks so much..."

Third Annual fundraiser, Celebrating Serenity Inns

Friday, April 26 is the date to consider joining other friends of Serenity Inn at the Italian Community Center for an evening of fellowship, a delicious dinner, a silent auction, music, a motivational speaker, and the opportunity to meet graduates of and residents in the program.

Contact Lorraine Buehler by April 19 for an invitation or to make a contribution to help grads or residents attend (lcbuehler@cs.com) or Debbie McGregor by April 12 to donate something for the Silent Auction (mrs.debbie.mcgregor@gmail.com).

Lenten Food Drive

Our 'Soup It Up For Lent' food drive was a great success! Our loving contributions of thousands of meals of ready-to-eat stews and soups to local food pantries certainly reached the hearts and tummies of many desperate folks in need of a meal. This generous expression of faith and sharing provided hope and nourishment to hundreds in our local community and outreach ministry partners including Cross Lutheran, All Peoples, Kuji Lutheran, and Peace Lutheran.

We have much to be thankful for—we nearly reached our goal of 5,000 meals. AND, praise to our 7th and 8th graders in confirmation class—they contributed almost 700 meals by themselves!

STUCK

STUCK Tour to Raise Adoption Awareness
in 60 Cities over 3 Months
More than a movie, it's a movement.

The award-winning documentary film, STUCK, is the story of the struggles and rewards of international adoption. It is travelling to 60 cities over 3 months, beginning March 1. It will be in **Milwaukee on Thursday, April 25 at AMC Mayfair Mall 18 Theater at 7pm.**

STUCK follows the stories of four orphans from Haiti, Vietnam and Ethiopia and their heartbreaking struggles to come home to their families. To see the trailer, go to www.bothendsburning.org More than a movie, this is a movement – a movement to ensure that every child has the possibility to grow up in a loving family. Viewers are asked to move beyond politics and borders, and address the lives of children who are stuck in a broken system.

Advance-purchase film tickets are available and highly encouraged. To buy tickets, go to <https://bothendsburning.org/initiatives/stuck-tour/>.

Outreach Sunday

REACH OUT AND TOUCH SOMEONE!

On **Outreach Sunday, April 28**, we shall be welcoming friends from the agencies and churches you already support with your generous contributions of time and money.

They will tell you about specific, rewarding jobs for which you can volunteer—whether you can spare one morning a year, one hour per month, or one afternoon a week.

Each of them can change the direction of a person's life—and yours!

All of these agencies are also providing jobs for our **Service Day on Saturday, May 18**—fun and meaningful volunteer tasks for you and your family. Watch for our mailing the week of April 8. Read about the job opportunities, then list your first five choices in order, and send or bring it back to church.

Agencies Participating:

Alice's Garden/Seedfolks

All Peoples Church

Cross Lutheran Church

The Gathering

Habitat for Humanity

Luther Manor

Lutheran Social Services

Milwaukee Rescue Mission

Next Door Foundation

Salvation Army Emergency Lodge

Serenity Inns

Shoreline Interfaith

Sojourner Family Peace Center

And our own Tanzania Partnership and Operation Christmas Child

BOOKS FOR KIDS

As part of Service Day, we shall be collecting new and gently used board books for Next Door Foundation's children's programs starting on Outreach Sunday. If you are doing spring cleaning, please save them for this wonderful cause!

BAYSIDE GARDEN CENTER DEBIT CARDS

Spring is on its way, and if you're like many of us, you can't wait to get out in the garden or at least start purchasing the tools and seeds you need...and even those pansies that can brighten up your pots early! Be sure to get your Bayside Garden Center card to use for your purchases! We keep 15% for secondary school scholarships for our young friends in Tanzania.

Annual Plant Sale

VOLUNTEERS NEEDED FOR ANNUAL PLANT SALE!!

Our plant sale will be held on Saturday, May 11. All proceeds go to scholarships for our secondary school friends in Tanzania! We need your help to make it a success.

Sale of Annuals and Hanging Baskets

Coordinators--We need two volunteers—well organized flower lovers (one comfortable with computers) to make this fun project a success. Includes creating a display, answering members' questions (after a quick training session), and overseeing the volunteers on Friday, May 10 for members' pick up. Most of these easy tasks can be done at home!

Divide and Conquer

Please consider **donating perennial plants** from your garden. You can pick up pots next to the church garage starting on Sunday, April 21. Please drop off your plants **no later** than Thursday, May 9—potted up and labeled, please! Let us know if you need help dividing them. We'll provide the pots and flats—and the volunteers. It's a win/win—your garden is thinned out, and our church generates money for scholarships for children in Tanzania.

Can You Dig It?

Like working a shovel? **Volunteer at a plant dig** starting May 1 at a member's home and help to pot up/label the plants.

Set Up the Day before the Sale, Friday, May 10

For perennials, we need 4-5 people to make sure that all of the plants are labeled and priced (easy—we use color coded coffee stirrers!) and put on the sales tables. For annuals and hanging baskets, we need 2-3 volunteers to organize them when they are delivered alphabetically by member's name and oversee their pickup. Strong backs welcome!

Work the Day of the Sale, Saturday, May 11—We need 9 - 10 people to work the sale for each shift -- 8 to 11am and 10:30 to 1:30pm as follows:

- Two cashiers and two people to pull price stakes and give cashiers the total
- Three people to help customers choose plants
- Two people to manage the Bake Sale
- Two people to act as hosts and load plants into customers' vehicles and move annuals near church for sale at Sunday services and 5pm Confirmation service.

We can also use your cardboard boxes and plastic plant flats for customers' purchases.

High School students! Volunteer for digging, sorting, watering the donated plants regularly after school, or working the sale (carry plants, help Pastor Bill with grilling, etc.) and earn fundraising credits toward the summer trip!

To volunteer or for any questions about the Plant Sale, please contact Bunny Raasch-Hooten brh@wi.rr.com or 414-352-8802.

Volunteer sign-up sheets are located at the Outreach Kiosk.

ALL VOLUNTEERS AND PEOPLE WHO DONATE PLANTS WILL BE ELIGIBLE FOR A DRAWING FOR A \$50 Bayside Garden Sale Debit Card. To qualify, you must sign up to volunteer or donate plants by Thursday, May 9.

Annual Plant Sale con't.

New Additions to the Plant Sale this Year!

The Plant Sale will feature a wide selection of perennials, and you can order pots and flats of colorful annuals and beautiful hanging baskets—all wonderful Mother's Day gift ideas!

This year, the sale will feature a visit from Laurie Weiss, an expert on annuals and perennials as well as trees & shrubs, turfgrass, landscape maintenance, and soils. Laurie, an instructor in the Landscape Horticulture Program at Milwaukee Area Technical College, will be on hand from 9:30 to 10:30am to give you tips on how to get your garden started and answer your plant questions. With degrees in Botany and Horticulture from UW Madison, this charming landscape expert really knows her field and loves to utilize plants in creative and sustainable ways.

Another new fun addition is the chance to create your own indoor, one-pot herb garden under the guidance of FPLC member Sandra Osborne, Grant and Scholarship Chair of the Wisconsin Unit of the Herb Society of America. The cost of \$18 covers the herbs, soil, and an oval plastic terra cotta pot.

Be sure to check out the wide variety of delicious baked goods—a perfect addition to your Mother's Day menu without the work! Credit cards will be accepted.

Marriage Ministry

FPLC Marriage Ministry Messages Everyday Tips for a Better Marriage

BEING QUICK TO LISTEN, SLOW TO SPEAK AND SLOW TO BECOME ANGRY: PART 1

By Drs. Emily Scott-Lowe and Dennis Lowe

"Well, I cried myself to sleep again last night" Jennifer mutters to her husband as he is preparing to leave for work. "What was wrong?" asked Steve, her husband. "You know!" Jennifer replies. "No, I don't know what you're talking about," says Steve. "I can't believe it," continues Jennifer, "as always, you made fun of me in front of our friends last night and now you're acting amnesic! How many times have I told you how much that hurts me?" "Oh no" Steve retorts, "let's not go through that stupid discussion again. If you would just lighten up a bit, you wouldn't get so upset."

Steve and Jennifer are about to experience another frustrating interaction--maybe even a meltdown--in the same way they have every time this topic has arisen. Sound familiar? The good news is that they can learn to have more constructive conversations, even about these difficult topics. What we've learned is that successful communication requires following rules and taking time outs when needed.

James 1:19 gives us some rules to follow in our communication. It reads, "*therefore be quick to listen, slow to speak, and slow to become angry*". Sounds easy when we read it, but it's difficult to implement.

So what steps can we take to make this scripture a reality in our day-to-day relationships?

1. In order to listen, speak, and manage our anger effectively, we need to start by selecting the right time and place to have a discussion. Most of us have discovered the wrong times to introduce a sensitive topic. Jennifer approaches Steve as he's leaving to go to work, increasing the likelihood of friction. Other bad times are when either or both people are hungry, tired, stressed, or preoccupied with a task.

In the book *A Lasting Promise*, the authors recommend that when topics emerge at inopportune times, couples agree to continue the discussion within twenty-four hours when the timing is better. We've made an agreement in our own marriage not to continue discussions during those times that are ripe for conflict with the understanding that we'll pick it back up at a better time that is jointly determined. Arranging to continue the discussion within twenty-four hours allows for a postponement of the topic without totally avoiding or ignoring it.

After selecting the right time to have a discussion, what other rules aid fulfillment of James 1:19?

A Child's View of Thunderstorms

A little girl was walking to and from school daily. Though the weather that morning was questionable and clouds were forming, she made her daily trek to school. As the afternoon progressed, the winds whipped up along with the lightning. The mother of the little girl felt concerned that her daughter would be frightened as she walked home from school. She also feared the electrical storm might harm her child.

Full of concern, the mother got into her car and drove along the route to her child's school. As she did, she saw her little girl walking along. At each flash of lightning, the child would stop, look up, and smile. More lightning followed quickly and with each, the little girl would look at the streak of light and smile.

When the mother drew up beside the child, she lowered the window and called, "What are you doing?" The child answered, "I am trying to look pretty because God keeps taking my picture".

May God bless you today and every day as you face the storms that come your way.
