

OUTPOST NATURAL FOODS

Outpost Natural Foods goes to Dinner Fellowship

Diana Schmidt, in a review for the Outpost publication GRAZE, offers this observation after her first dinner fellowship at Serenity Inns:

"I left the table with a deeper understanding of humility and an appreciation for the choices we all make daily, witnessing first-hand the impact that breaking bread together has with being present. Conversations around the table focused on recovery, casual but attentive, it felt like dinner with family should feel. I was humbled by how welcome I was made to hold space with one another around the table together."

Ms. Schmidt goes on:

"The stigma of addiction has plagued the men throughout their lives. Sitting down to break bread with volunteers levels the playing field."

Why The Need for Donated Food Is On The Rise

In 2020, due to the pandemic, anyone enrolled in FoodShare received additional benefits. 700,000 Wisconsin residents are still receiving these funds, but that program will end in February. Per Feeding America Eastern Wisconsin, that is an average loss of \$221 a month per family.

Seniors and people with disabilities are two groups to be impacted by this change. Prior to the pandemic, they often received the minimum benefits. Without the added benefits they will go back to receiving only \$23 per month. With inflation and steeply rising food costs also affecting these families, food pantries are seeing, and will continue to see, the number of guests rising.

This list of items has been supplied by our partners, as they are the items preferred by their guests. The collection cart is just inside the main FPLC entrance.

Food Needs:	Bush's Baked Beans	Canned fruit	Tuna
	Ensure	Canned pasta sauce	Vienna sausages
	Dinty Moore Stew	Canned beef and chicken	Mac & cheese
	SpaghettiOs	Spam	Honey Nut Cheerios
	Canned ravioli	Sardines	Canned vegetables
Personal Care Items: <i>(Full-sized preferred)</i>	Men's Deodorant	Body Wash	Body lotion
	Women's Deodorant	Toothpaste	

We Need YOU!

We need additional ushers to help keep our services running smoothly! Please contact Lori Barrieau; lori@foxpointchurch.org

or 414-352-8990.

Cookies for Luther Manor

January is the month that FPLC is scheduled to provide cookies for the 200 plus Luther Manor Health Care Center residents. The cookie drive is a way to reach out and make the day brighter

for the residents during challenging times. Due to Covid 19 Luther Manor is requesting store-bought packaged cookies rather than homemade. Softer purchased cookies without nuts or seeds comply with the dietary needs of many of the residents. Please deliver them directly to the church office by noon, Friday, January 20.

If you need someone to pick up the cookies, please call Janet Quail, 414-967-7942.

Thank you for your Friends of Luther Manor dues/donations and Love Lights fund raiser donations. We are pleased to share that over \$31,000 has been raised this year.

Your donations will supply the Resident Support Fund, ensuring Luther Manor's ability to help residents in need.

Hello!

"Watch what God does, and then you do it, like children who learn proper behavior from their parents. Mostly what God does is love you. Keep company with him and learn a life of love. Observe how Christ

loved us. His love was not cautious, but extravagant." – Ephesians 5:1

School zones in the morning resemble obstacle courses. Car doors flying open, kids on bikes, children running to meet friends, vehicles jockeying for parking spaces, little ones with backpacks in tow and musical instruments in hand – it surely requires careful driving! A foot on the brake plus watching and listening with caution is a necessity! Crossing guards try to keep things safe for the children, but it's really up to we larger humans to move gingerly using both skill and kindness with these special folks.

How careful we are when there are small ones...they are so vulnerable and can let go of a parent's grasp in just a moment. Not unlike them, we too, can let go of our Heavenly Father's grasp, sometimes out of carelessness, anger, or simple weariness. But be assured, He never lets go of their hands...or our own.

"Be easy on people; you'll find life a lot easier. Give away your life; you'll find life given back, but not merely given back—given back with bonus and blessings. Giving, not getting is the way. Generosity begets generosity." – Luke 6:38

God continually showers us with His amazing grace. If only we were always this sensitive in how we treated our neighbors; offering mercy and compassion and treading lightly when behaviors differ from our own or turn away from God's teachings. The crossing guards have decisions to make at the intersections of the road... as do we who enter the other intersections...the intersections with our life partners, friends, and brothers and sisters on our own roadways.

"Love must be sincere. Hate what is evil; cling to what is good. Be devoted to one another in love. Honor one another above ourselves." – Romans 12: 9-10

We pray together-

"Our little lives, our big problems – these we place upon Your altar! Pour out upon us whatever our spirits need of shock, of life, of release. That we may find strength for these days – courage and hope for tomorrow. In confidence we rest in Your sustaining grace, which makes possible triumph in defeat, gain in loss, and love in hate. We rejoice this day to say: our little lives, our big problems – these we place upon Your altar!" – from *Our Little Lives*, a prayer by Howard Thurman

Let's watch with love as God transforms our lives this week. – Mary
