PARENT HELP NEEDED !

Confirmation isn't possible without the wonderful parents who serve as small group leaders during our Wednesday workshops. An essential part of the faith experience is the time the kids spend in conversation together in small groups, getting to know each other, becoming friends, and reflecting on the teaching of the day. Pastor Bruce provides a detailed discussion guide, but it is the volunteer parents who serve as facilitators during that time. We hear back again and again how much the parents enjoy this time and grow in faith themselves. Can you serve in this way?

_____ Yes, I would love to be a Small Group Leader for the year

Please note that you do not have to be available for all the workshop dates to be a small group leader. Groups can be shared by more than one leader and we also need parents to be on our 'subs list' !!

_____ I am interested in finding out more about this opportunity.
