

Your *SOP Journey Starts Here

***Service Opportunity**

Serving is one of the hallmarks of the Christian faith and life. Jesus adopted the role of the servant as he went about teaching and healing. As part of Confirmation we encourage our students to follow Christ's example through serving experiences. Again and again we hear how inspiring and transformational those experiences are.

SERVE at FPLC
3 SOPs/year

“Inside the church” SOPs take place at FPLC and serve a ministry which helps the worship service and builds community at FPLC. Examples are:

- Sunday usher
- Sunday morning coffee hour host w/a parent
- Sacristy on Sunday w/a parent
- Special event help (ex. Christmas Village, children's Good Friday service)

**SERVE in the
COMMUNITY**
3 SOPs/year

“External” SOPs serve places other than FPLC. They help fill a need in our wider community. They can be offered through FPLC, school, or a group you are involved with. You can even develop a project of your own! Examples are:

- Serenity Inns Dinner Fellowship
- Soles for Jesus
- Service Day in spring '25
- Neighborhood coat drive
- School food drive
- Dec. 4 Confirmation Service Night

Service Opportunity Forms

When a student finishes a Service Opportunity, they complete a form telling us a little bit about the project and their involvement with it. You can access these forms on our website. For quick access to the Confirmation page, use this QR code. Scroll down the page to the forms.
