Serenity Inns FPLC Service Day—Saturday, May 3

Every year we join the staff and residents of Serenity Inns for a day of spring cleaning at the Inn. We shampoo the rugs, clean the light fixtures, fans and baseboards and whatever else may be needed to sweep winter out the door and usher in the warm weather! We need about 7 folks to help with this important task. SI has a new maintenance person too—it's a good time to meet him and get acquainted!

Date: Saturday, May 3

Time: 9 am – noon (approximately—we stay until the work is finished)

Location: Serenity Inns; 2825 W. Brown St., Mke

Contact: Lorraine Buehler; lcbuehler@cs.com or 414-630-8933

If you ordered Kringle(s) but weren't able to pick them up yet, please take them from the kitchen freezer this week or Sunday morning. There will be a sheet on the freezer for you to check off your name so we know who has up picked their Kringle.

The Knitters are BACK!

Sending Care in Every Stitch

The knitters at FPLC have made many (thousands?) of prayer shawls over the years for members experiencing difficulties of any kind. We also have members making soap sacks for bars of soap donated to the food pantries we serve. These creative people have mostly been making them at home, but would now once again like to meet in person to work on their projects. (They met in person pre-Covid.)

Do you crochet? You are welcome to join this group too! They'll have patterns for prayer shawls and soap sacks (and we'll post them online) but you are welcome to bring any project you like and enjoy the company of others while you knit! Come when you are able, no need to sign up.

Serenity Inns Dinner Fellowship

Why is Dinner Fellowship So Necessary?

Serenity Inns is a residence for men in recovery from alcohol and/or drug

abuse in Milwaukee. FPLC has a long history of members providing 3 dinners a month and sharing the meal and conversation with the men. Our volunteers know that providing and sharing a meal with the residents enables the men to share their stories with others, feel the compassion of a caring community and build their communication skills that have suffered during their times of isolation and addiction.

What to Expect When Volunteering

Volunteers make dinner and take it warm to the Inn by 5:45 pm (for a 6 pm start time). The men meet you at your car to carry items inside. Prepare the meal in your cookware (vs buying aluminum pans) if you like because the men will wash it and carry it to the car at the end of the meal. As the number of residents varies, you'll receive an email a week before your date with the number of residents; right now the number is between 9 and 12. You'll be cooking for yourselves, the men and the innkeeper. You're usually on your way home by 7 pm. Two families, friends,

small group members, etc. are welcome to volunteer together to share the meal prep and dining experience.

How To Sign Up and Ask Questions

Why not volunteer for this important and meaningful opportunity? This is a wonderful and popular SOP option for your student that you can do as a family.

Sign up on the website (with link below) or on the signup in Fellowship Hall.

Do you have questions? FPLC member and long-time SI volunteer, Lorraine Buehler, is happy to answer any of your questions; lcbuehler@cs.com.

Partner Volunteering

Our partners have far more volunteer needs than those we regularly take part in as a church. Given your time, talents and interests, there is something for everyone from kids through adults. Get involved and help build a strong community!

All Peoples: Community Garden

planting seedlings in warm row tunnels.

It's that time of year when there's so many garden jobs to get done, but honestly, the garden needs volunteers all season long! If some of these dates work for you, that's great, but if not or you're looking for more, you can schedule another time to work in the garden either as a group or individual/family.

Spring Work Days, May 17 & 18: They'll clean up the garden for spring by pulling last year's tomatoes, trimming vines, taking down old trellises and helping to install the new row tunnels. They may even be

MacCanon Brown: Several Opportunities

FPLC is involved with MacCanon Brown in a number of ways, but they have many volunteer needs at the Sanctuary, both as front-line helpers and behind the scenes. Check out their website for more about MBHS, <https://www.mbsanctuary.org/> and please consider one of these volunteer needs:

Sort and Organize: We know there are folks out there who love to do this! Volunteers are needed to make a 2-hour commitment on Saturdays (based on when you are available) to help sort and organize donated items.

Outreach Events: This is a front line volunteer opportunity to work with their guests. They need compassionate and committed volunteers on Tuesdays and Fridays, based on when you are available.

Tutors: MBHS offers adult tutoring, primarily in reading and math.

Nurses: This is a priority need. They need nurses to be part of their volunteer nurses' team!

Community Garden: Help plant, water & maintain their large garden with other volunteers from both the neighborhood and wider Milwaukee community. To volunteer, contact John Frunceck; jfrunceck@gmail.com.

Grant Writers: Grants fill some of their financial needs. They need help from people with grant writing experience!

Drivers: They need drivers with larger vehicles for pick-up and delivery of donated furniture. No lifting is required on the driver's part.

If you have questions or would like to volunteer, please send an email to: admin@macanonbrown.org.

Interfaith Green Team's Electronic Recycling Drive—Donate Your E-waste!

FPLC has joined the Interfaith Green Team, a diverse group of faith-based organizations. Formed about a year ago, their mission states:

“United by our shared religious values, we celebrate and actively care for all creation. We assist the Earth in its healing through conservation, education, and advocacy to achieve environmental equity for all.”

While there is more to come, the group's first project is an electronics recycling drive. Save your e-waste from the landfill and bring it to one of these sites for safe recycling. Don't forget those cords in your junk drawer—you know the ones, no one in the house knows what they belong to! Questions? Contact Stacia Hickey; stacia@foxpointchurch.org.

Do you have old appliances, devices and other electronics with cords or batteries laying around the house? To dispose of this e-waste responsibly, please participate in the Interfaith Green Team's recycling drive. Our Northshore congregations are partnering with Elite Energy Distribution, a Milwaukee-based recycling company, to get Spring Cleaning off to a great start.

Food Needs Continue to Rise

Food needs are on the rise at the pantries FPLC donates to. Most pantries get the food from individuals, churches/groups and organizations like Feeding America. Following is a note from Brian Bolling, the Food Pantry Manager at our partner, All Peoples Church, to help explain the situation:

“The pantry is averaging 94 families/week (11% higher than 2023) so far this year . . . We have seen our donated pantry dry goods fall by one third (about 40 pounds) and meat fall by 50% (50-75 pounds) from Just One More Ministry due to donations being down from their partners. Feeding America has fewer items

for free and we will see how the tariffs and budget cuts affect them and everyone else (mostly likely not in a positive way).

Our partner connections have been amazing though, and you have kept us open with your very generous food/monetary donations.”

Last Wednesday, just a few days after Brian wrote this, their pantry served 125 families. A family can be one person, but it can also be 6 or more people. You can see from what Brian said, that the donations from FPLC and others are making a powerful difference in the lives of those served by All Peoples’ food pantry. Following is a list of the items most needed by All Peoples Church at this time:

Pancake mix and syrup

Peanut butter and jelly

Cereal and oatmeal

Canned pasta (Spaghetti-O’s, ravioli)

Tuna and Tuna Helper

Baked beans

Canned fruit

Spam and canned beef stew

Pasta and canned pasta sauce

White rice (1 lb bag or instant)

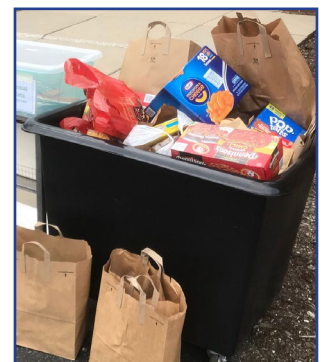

Hamburger Helper

Canned greens (collard, turnip etc)

Toothpaste, deodorant, feminine products

Note: We cannot accept any expired foods; please check labels. We are looking for filling and culturally-appropriate foods, not specialty items.

If you have any questions, please contact Stacia Hickey; stacia@foxpointchurch.org.

Written by FPLC member, Mary Buscher. This devotion was first shared on Wednesday, April 16. If you would like to receive Mary's devotion on a weekly basis, please sign up here: [Weekly Devotion](#).

Hello!

From the pen of the Reverend Dr. Peter Marshall, former pastor of the New York Avenue Presbyterian Church in Washington D.C. and a chaplain of the United States Senate, comes his story of the first Easter morning. The empty tomb, making our hearts burst with the elation that Mary must have felt that morning!

...Mary Magdalene, still weeping, lingered at the edge of the garden. Along with the other women, she had come to find a dead body...and had been shocked to find the grave empty. She thought it had been broken open...grave-robbers perhaps. She did not know...She could not think clearly. Only one thought seems to have absorbed her soul—the body of the Lord had been lost...she must find Him!

She ran as never before back towards the empty tomb, with the speed and unawareness of time and distance that grief or fear or love can impart...But Mary stood without at the sepulcher weeping; and as she wept, she stooped down and looked into the sepulcher...and she turned herself back, and saw Jesus standing, and knew not that it was Jesus.

Jesus saith unto her: "Woman, who weapest thou? Whom sleekest thou?" And John tells us that she thought He was the gardener. She fell at His feet, her eyes brimming with tears—her head down—sobbing, "Sir, if thou hast taken Him, hence, tell me where thou has laid Him, and I will take Him away." To her tortured mind there was a gleam of hope that perhaps the gardener, for some reason known only to him, had moved the body...She was red-eyed...She had not slept since Friday...There had been no taste for food...She had been living on grief and bereaved love...

Jesus saith unto her... "Mary..." His voice startled her...She would have recognized it anywhere. She lifted her head with a jerk...Blinked back the tears from her eyes and looked—right into His eyes. She knew...her heart told her first and then her mind...She saw the livid marks of the nails in His hands and looking up into His face, she whispered: "Rabboni!"

The loveliest music of that first Easter dawn in the sound of those words echoing in the Garden... His gentle... "Mary" ...and her breathless... "Master!" Mary had come prepared to weep; —Now she could worship. She had come expecting to see Him lying in the tomb—She had found Him walking in the newness of resurrected life.

Rejoice! He is risen! Easter hope and blessings, my friends! – Mary
